

## About Us

The Elm City Derby Damez is a Keene's all-women's flat track roller derby league comprised of dedicated skaters ranging in ages from 16-47 who are like minded in their desire for good friendship, good exercise, and good fun. They began actively practicing bi-weekly in March of 2009 after nearly a year of preparation and recruitment. In this short time the Damez have consistently made strides towards positively impacting the lives of their skaters and their community by hosting activities, attending local events such as Brattleboro VT's Strolling of the Heifers and the Jaffrey Night of a Thousand Cupcakes, and by offering their time to charitable organizations such as the Monadnock Humane Society and the Walk to Fight Hunger. The Damez strongly believe that through hard work and resolve positive changes can be made to the community.

Roller Derby is a contact sport whose popularity has been on the rise in recent years with leagues popping up all over the country. The Damez have been actively scrimmaging other leagues since August of 2009 and are anxious to start the Spring 2010 season with a bang! Now is your chance to become a part of this re-emerging sport by sponsoring the Elm City Derby Damez today!
